Book Chapter

Title	Grammatical tree matching
Excerpt	...obtain linear time algorithms for the tree matching problems. We also discuss the preprocessing of patterns for grammatical tree matching
DOI	10.1007/3-540-56024-6_13
Book Series	Lecture Notes in Computer Science
Volume	Volume 644/1992
Book	Combinatorial Pattern Matching
Authors	Pekka Kilpeläinen and Heikki Mannila
Subject Collection	Computer Science
Full Text	PDF (747.4 KB)

Title	An Efficient LR Parser Generator for Tree-Adjoining Grammars
Excerpt	In this chapter we discuss practical LR-like parser generator models for Tree Adjoining Grammars (TAGs) and propose a new algorithm. The algorithm has been...
